Flammerne pulser ud af de knuste vinduer og strækker sig flere meter op i aftenmørket.

Polske kvinder rekrutteres i stor stil til danske bordeller

På jobbørser i Polen søger mulige bagmænd efter prostituerede til jobs i Danmark

The story in brief

1. A number of pimps have run +4 brothel networks in Denmark and recruited and circulated Polish women - without any intervention.
2. One network was run by a Polish gang, "Braciakow," led by three brothers.
3. Before entering Denmark, they were indicted in Poland for pimping, forced prostitution...
4. During the trial in 2015/16, they left Poland and started a brothel network in Denmark.
5. Until 2017 when a Polish woman burned to death in a Danish brothel, and the brothers were charged with ordering the arson.
6. In 2021, four years later, the original trial and the new arson trial has just begun

Our goals

- Find the victim's family
- Get the indictment
- Do joint research on named persons through Polish and Danish data sources

Achievements
